Environmental Policy

Carr's Flour Mills Ltd recognises its responsibilities relating to environmental matters.

We are fully committed to the protection of the environment, prevention of pollution, compliance with current environmental legislation, fulfilment of our compliance obligations and continual improvement of our management system to enhance our environmental performance, without compromising Health & Safety, Food Safety or the quality of the product and service we provide to our customers.

The scope of this policy covers the responsible and sustainable management of the company. The context includes our environmental obligations to Staff & Employees, Visitors, Suppliers, Contractors, the Community, Environmental Groups, Environment Agency, and the Local authorities.

The aim is to demonstrate continuous improvement in our environmental performance through responsible management.

This policy outlines our most significant environmental impacts and provides a framework for establishing environmental objectives and targets.

Our key commitments are to:

- Ensure that good environmental management is an integral part of our business culture by improving awareness of the policy to all our stakeholders.
- Report and audit our environmental performance as a means to improve accountability and to drive continual improvement.
- Reduce energy consumption and improve energy efficiency.
- Reduce water usage and incorporate recycling opportunities.
- Minimise the amount of waste generated and improve recycling.
- Prevent pollution.
- Integrate environmental management and general social and economic sustainability into staff training.
- Meet or exceed all relevant UK legislative and regulatory requirements and agreements.
- Encourage our suppliers and contractors to improve their own environmental performance through inclusion of commitments within contract obligations.

This policy will be reviewed annually and will be communicated and explained to all our stakeholders. It will be freely available to interested parties.
